Unexpected Votes, Events, Testimony or Items to Watch for the Future

A group of 5-6 parents of D90 students each spoke during the Invited Comments portion of the BOE meeting requesting that the District offer Before School and After School Programs as well as Lunch Programs. The group expressed that this is an unmet need in D90. They noted that may not have been a need in the past when most Mothers were "Stay at home Moms" and now the majority of D90 parents work outside the home. They felt this could be a "revenue neutral endeavor". Rich Moore, BOE President thanked the

parents for their input and informed them that the Board will take this request under advisement and would report their findings at a future Board meeting.
