

Mills Park Tower Resident Council Election

On Wednesday, June 15, the League of Women Voters of Oak Park & River Forest monitored the Resident Council Board Election for Mills Park Tower, an Oak Park Housing Authority Building. As a non-partisan organization, our League was asked to ensure this election was run efficiently and fairly. Five candidates were elected from a field on nine, with 64% of the residents participating in the election. We wish this new Board good luck in engaging and representing tenant interests with the housing authority.
